

Panels **Swing Panel**

Heartland Series Aluminum Swing Panel Kit 10 x 8 Inches

Catalog Number AH108SPK

UPC 191564100203

List Price

\$93.30

Description

10H x 8W Inches Heartland Series swing panels feature hinges that enable them to swing open. T-slot channels incorporated in the enclosure offer flexible mounting options, allowing the panels to be positioned at any depth from the front to the back. These swing panels serve as an additional protective barrier, safeguarding sensitive equipment and operators from potential hazards. They offer an optimal solution for mounting displays, controls, indication lights, and various other electrical components.

Application

- Suitable for heavy industrial; commercial; and OEM applications
- Used to house electrical and electronic controls; instruments; and components
- Used indoors or outdoors
- Used in highly corrosive areas
- Provides protection against rain; sleet; snow; splashing water; hose-directed water; submersion; sun/UV and flame protection.
