Heartland Stainless Steel Latch Kit

Catalog Number AHLKSS

UPC 191564115795

List Price

\$30.63

Description

Heartland Stainless Steel Latch Kit includes 2 316 stainless steel latches per kit. The secure-fit latch maintains a 4X rating and has an easy snap-on / snap-off feature making them easy to replace. Constructed with a high tensile strength and wide temperature range, the stainless steel latches are also not affected by UV degradation. Available for use with all sizes of Heartland polycarbonate enclosures sizes 6x6x4 to 24x24x10.

Application

- Suitable for heavy industrial; commercial; and OEM applications
- Used to house electrical and electronic controls; instruments; and components
- Used indoors or outdoors
- Used in highly corrosive areas

Features

- Two 316 stainless steel latches for optimum strength and corrosion resistance - replacement kit only
- Secure-fit latch maintains a 4X rating
- High tensile strength, physical strength, and temperature range
- Not affected by UV degradation
- For use on all sizes of Heartland® polycarbonate enclosures (6x6x4 to 24x24x10) and with both clear and opaque covers
