

Panels **Side Panel**

Heartland Series Side Panel 20 Inch

Catalog Number SP20
UPC 19156411967.0

List Price

\$150.68

Description

The 20 Inch Heartland Series aluminum side panels allow for mounting of components on enclosure walls, increase mounting space and flexibility, and reduce the need to increase the enclosure size to accommodate additional components—enabling customers to use smaller enclosures in applications requiring tight spacing.

Application

Ideal for use in smaller enclosures in applications requiring tight spacing.

Features

- Simple and easy installation with the use of common tools—simply install, position, and secure the side panel using the provided slot nuts which fit perfectly in the innovative enclosure T-Slots.
- Corrosion resistant slot nut fastening hardware kit included
- Available in 9 SKUs designed for use with our polycarbonate enclosure sizes 6"x6" to 24"x24"
- Reduces engineering labor (maintains enclosure mounting footprint)
- Increases customer installation flexibility—equipment can be mounted on multiple sides of the enclosure, in addition to the traditional enclosure back wall
