### Description

20H x 16W Inches Standard ABS Back Panel is used for installing electronics to the walls of the enclosure and guarantee secure mounting. This allows mounted devices to remain in the correct position inside the box and eliminates the need for drilling into the enclosure side wall or back wall, preserving the enclosure integrity.

### Application

- Suitable for heavy industrial; commercial; and OEM applications
- Used to house electrical and electronic controls; instruments; and components
- Used indoors or outdoors
- Used in highly corrosive areas
- Provides protection against rain; sleet; snow; splashing water; hose-directed water; submersion; sun/UV and flame protection.
