Catalog Number WD24

UPC 19156411975

List Price

\$240.41

Description

The 24W x 10H Inch Heartland Series Weight Distribution Shelf provides an extremely rugged support system when adding heavy equipment in polycarbonate enclosures. Ideal for support when adding a power supply, battery, or heavy equipment which could potentially deflect the enclosure bottom wall.

Application

This innovative weight distribution shelf provides an extremely rugged support system when adding heavy equipment in polycarbonate enclosures.

Features

- Aluminum shelf supported by enclosure side walls reduces risk of deflection of the enclosure bottom wall when subjected to increased weight load
- Available in 7 SKUs designed for use with our polycarbonate enclosure sizes from 10"x10" to 24"x24"
- Constructed from strong, lightweight, corrosion resistant aluminum
- Fastening hardware included

General Information

Material Aluminum

Country of Origin USA
