List Price

\$3.20

Description

1/2 Inch Nylon NPT Cable Glands offer a solution for secure and reliable cord connections in industrial and commercial settings. Designed for NPT thread types, they fully seal and are moisture resistant, offering numerous benefits.

Application

Cord Grip used with enclosures which house electrical and electronic controls instruments; and components

Features

 Nylon cord grips are durable and easy to install. The body and sealing nut are manufactured with a tough; impact resistant nylon.
Together the nut and washer form a positive sealing grip when installed through an enclosure wall.
