

NON-METALLIC VENTS, DRAINS, AND ACCESSORIES

ENCLOSURE ACCESSORIES DESIGNED TO PROLONG THE LIFE OF INSTALLED COMPONENTS

Our line of non-metallic vents, drains, and accessories allow for pressure equalization, drainage, and protection from corrosion while maintaining the enclosure's environmental rating. They can be conveniently purchased along with the enclosure or separately for installation at a later date.

MARKETS AND INDUSTRIES

- + Ideal for Non-Hazardous Industrial and Commercial OEM market segments
- + Oil and gas, electrical control, water/wastewater, manufacturing, communications, and wireless & remote monitoring.

AttaBox Breather Vent Kit installed on a polycarbonate enclosure.

BREATHER VENT

INNOVATIVE FEATURES:

- + Allows an enclosure to “breathe”, facilitating the free passage of air, equalizing the pressure differential between enclosure and environment while maintaining UL Type 4X enclosure integrity as a recognized component.
- + Especially useful in applications where enclosures protect equipment requiring a specific air temperature to work properly.
- + UL/cUL File #E64358 Type 4X Rated.

REBV4XKIT

DRAIN VENT

INNOVATIVE FEATURES:

- + Reliably protects electrical equipment housed inside an enclosure by properly draining unwanted moisture or accumulated water from within while maintaining UL Type 4X enclosure integrity as a recognized component.
- + Especially useful in applications in warm environments that can cause condensation within the enclosure.
- + UL/cUL File #E64358 Type 4X Rated

REDV4XKIT

STANDARD VENT

INNOVATIVE FEATURES:

- + Polycarbonate vent offers ventilation with a turn of the wrist.
- + Available in two sizes—60mm and 80mm
- + UL/cUL Files #E64358 Type 3R Rated (REV60 only)

**REAH-V60 (60MM),
REAH-V80 (80MM)**

DRAIN AND VENT

INNOVATIVE FEATURES:

- + AttaBox's PVC Drain and Vent is a versatile vent with easy installation.
- + Kit includes REDV1PVC and silicone pack.
- + Available as an individual part or as a kit.

REDV1PVC OR REDVK3KIT

LOUVER PLATE VENT

INNOVATIVE FEATURES:

- + Attabox's polypropylene Louver Plate Vent offers ventilation with a thin profile.
- + Offered as a lone plate or as a full installation kit.

RELP1 OR RELPK3KIT

CONDENSATION PLUG

INNOVATIVE FEATURES:

- + Attabox's Condensation Plug is a method of venting your enclosure that leaves only a small footprint.
- + NEMA 4X Rated

REAVP1/2

VAPOR CAPSULE

INNOVATIVE FEATURES:

- + AttaBox Vapor Capsules contain a unique vapor phase inhibitor designed to protect metallic surfaces within an enclosure against airborne corrosion.
- + Radius of Protection: 2 ft.
- + Normal Life Span: 1 year.
